

Tinicum Township, Bucks County, PA
COVID19 State of Emergency Grant of Extension – Permits

I understand that due to the Governor issued State of Emergency the Township Offices may be forced to close at any given time for an indefinite length of time.

I understand that it may not be possible, due to the State of Emergency for, my zoning/building/other permit application/Open Records Request to be reviewed and acted upon within the standard time frames.

I hereby grant an extension of time for the Township to review and act upon my application for a permit due to the Commonwealth issued State of Emergency. The standard time limits will be reinstated when the State of Emergency is lifted.
